Author Index for Volume 22

A
Addy, L., 36
Akahoshi, M., 309

B
Banks, N., 14
Becan-McBride, K., 137
Benvenuto, D. B., 267
Breier, S. J., 187
Briceland, L. L., 336

C
Chrystal, C., 253
Chung, M., 309
Clarkson, E. F., 216
Cole, D., 315
Conner, V. W., 199
Cornelius, P. B., 203
Czaplewski, L., 75

E
Edwards, A. D., 273

F
Frame, K. B., 253
Free, F., 209

G
Garity, J., 81
Golden, R. N., 144
Gonzales, A. J., 144
Gritter, M., 281

H
Hadaway, L. C., 87
Hammond, D., 331
Hanchett, M., 117, 320
Harris, J. L., 194

K
Kennedy, M. S., 131
Kung, L.-Y., 117

L
LeDesma, M. M., 151

M
Maguire, D., 194
Mazzola, J. R., 36
Moore, G. E., 336
Morris, N. L., 151

N
Nowobilski-Vasilios, A., 209

O
O'Connor, K., 151
Orenstein, R., 122

P
Pestka, C., 144
Phillips, L. D., 19
Poole, S. M., 209
Powers, F., 286

R
Riley, M. A., 325
Rudzik, J., 69

S
Scharnweber, K., 258
Schott-Baer, D., 36
Sheppard, K., 151
Silverstein, F., 144
Stepanski, L. M., 94

T
Tam, V. H., 336
Tan, M. W., 11
Thelian, K., 325
Triller, D. M., 336

W
Welk, T. A., 43

Subject Index for Volume 22

A

Acid-base balance, chloride in, 286
Allergy, latex, prevention of, 281
Alpha$_1$-antitrypsin deficiency, alpha$_1$-proteinase inhibitor infusion for, 258
Alternate care settings. *See also* Home intravenous therapy
  central venous access device management in, S40
  peripherally inserted central catheter management in, S46
Attachment, in home intravenous therapy, 325

B

Baccalaureate education, intravenous therapy training in, 253
Bacterial infections, gram-positive, vancomycin for, in home health care, 336
Blood sampling, quality control for, 137
Bloodstream infection. *See* Infections
Blood transfusion, unnecessary avoidance of, 131
Business ventures, marketing strategies for, 75

C

Catheter
  central venous. *See* Central venous catheter
  sterile vs. standard securement device for, 151
Catheter-related infections. *See also* Infections
  reporting of, by home health providers, 320
  risk of, with needleless systems, 117, 122, 164 (erratum)
Central venous access devices
  care and management of, in alternate care settings, 315, S40
  infection control practices for, S18
  placement of, interventional radiologist's role in, S32
  quality assurance for, S26
Central venous catheter
  occlusion of
    in children, protocol for, 194
    predisposing factors, prevention and management of, S11
  peripherally inserted
    infection of
      with needleless systems, 117, 122, 164 (erratum)
      reporting of, by home health providers, 320
    looped, malposition of, correction of, 14
    management of, in alternate care settings, S46
    phlebitis with, factors affecting, 43
    positioning of, magnetic detection system for, 144
Children
  central venous catheter occlusion in, protocol for, 194
  intravenous immunoglobulin for, 203
Chloride, in acid-base balance, 286
Competency-based orientation program, for home health care, 69
Confidentiality, of computerized records, 199
Culturally sensitive care, in home intravenous therapy, 325
CytoGam, home administration of, 331

D

Dying patients, fluid and electrolyte management in, clinical and ethical considerations in, 43

E

Editorials, 303, S1, S3, 7, 63, 111, 247
Education
  baccalaureate, intravenous therapy training in, 253
  employee, for home health care, 69
  nursing, interactive program for, 87
  patient, roles and strategies in, 19
Employee education, for home health care, 69
Entrepreneurial ventures, marketing strategies for, 75
Epoprostenol (Flolan), for primary pulmonary hypertension, 267
Equipment, single-use, reuse of, 11
Errata, 60, 164
Ethical issues
  confidentiality of computerized records, 199
  fluid and electrolyte management in terminal illness, 43

F

Flolan (prostacycline), for primary pulmonary hypertension, 267
Fluid and electrolyte management, in terminal illness, clinical and ethical considerations in, 43

H

Home intravenous therapy
  central venous access devices in, 315, S40

competency-based orientation program for, 69
consumer perspectives on, 187
culturally sensitive care in, 325
CytoGam administration in, 331
infection reporting in, 320
midline catheter management in, S46
peripherally inserted central catheter management in, S46
push drug delivery in, 209
remote access infusion pump system for, 309
vancomycin administration in, peak serum concentration monitoring for, 336
Hyperchloremia, 286
Hypertension, primary pulmonary, prostacycline (Flolan) for, 267
Hypochloremia, 286

I

Immunoglobulin, intravenous, for children, 203
Infections
central venous access device-related, prevention and management of, S18
gram-positive bacterial, vancomycin for, in home health care, 336
reporting of, by home health providers, 320
risk of, with needleless systems, 117, 122, 164 (erratum)
Infusion pump system, remote access, for home intravenous therapy, 309
Interactive intravenous education and training program, development of, 87
Interventional radiologist, in placement of central venous access devices, S32
Intravenous immunoglobulin, for children, 203
Intravenous Nurses Society
1998 Annual Report, 226
1998 Financial Report, 235
revised constitution and bylaws, 50
Intravenous systems, needleless
benefits and limitations of, 117
infection risk with, 117, 122
Intravenous therapy
in home health care. *See* Home intravenous therapy
student nurse training in
for baccalaureate programs, 253
interactive program for, 87

J

Journal articles, tips for writing, 94

L

Latex allergy, prevention of, 281
Legal issues, confidentiality of computerized records, 199
Lidocaine, intravenous and subcutaneous, for neuropathic pain, 273
Long-term care facilities
central venous access device management in, S40
peripherally inserted central catheter management in, S46
Looped peripherally inserted central catheter, malposition of, correction of, 14

M

Magnetic detection system, for peripherally inserted central catheter placement, 144
Marketing, concepts and strategies for, 75
Medical records, computerized, confidentiality of, 199
Midline catheter, management of, in alternate care settings, S46

N

Needleless systems
benefits and limitations of, 122
infection risk with, 117, 122, 164 (erratum)
Neuropathic pain, intravenous and subcutaneous lidocaine for, 273
New products and services, 48, 100, 157, 225, 292, 343
Nurse entrepreneur, marketing concepts and strategies for, 75
Nursing education, intravenous therapy training in
for baccalaureate programs, 253
interactive programs for, 87

O

Occlusion, of central venous catheter
in children, protocol for, 194
predisposing factors, prevention and management of, S11
Orientation program, competency-based, for home health care, 69

P

Pain, neuropathic, intravenous and subcutaneous lidocaine for, 273
Patient education, roles and strategies in, 19
Patient perspectives, on home intravenous therapy, 187
Patient records, computerized, confidentiality of, 199
Peripherally inserted central catheters
infection of
with needleless systems, 117, 122, 164 (erratum)
reporting of, by home health providers, 320
looped, malposition of, correction of, 14
management of, in alternate care settings, S46
occlusion of
in children, protocol for, 194
predisposing factors, prevention and management of, S11
phlebitis with, factors affecting, 43
positioning of, magnetic detection system for, 144
Phlebitis, with peripherally inserted central catheter, factors affecting, 43
Primary pulmonary hypertension, prostacycline (Flolan) for, 267
Professional presentations, guidelines for, 81
Professional publication, writing for, 94
Prostacycline (Flolan), for primary pulmonary hypertension, 267
Push drug delivery, in home intravenous therapy, 209

Q

Quality control
in access device management, S26
for blood sampling, 137

R

Radiology, interventional, in placement of central venous access devices, S32
Remote access infusion pump system, for home intravenous therapy, 309
Reporting, of catheter-related infections, by home health providers, 320

S

Securement devices, sterile vs. standard, 151
Single-use equipment, reuse of, 11
StatLock IV securement device, 151

T

Teaching. *See* Education
Terminal illness, fluid and electrolyte management in, clinical and ethical considerations in, 43
Transcultural nursing, in home intravenous therapy, 325
Transfusion, unnecessary avoidance of, 131
Tuberculosis, overview of, 216

U

Undertransfusion, prevalence of, 131

V

Vancomycin, home administration of, peak serum concentration monitoring for, 336

W

Writing, for professional publication, 94

STATEMENT OF OWNERSHIP, MANAGEMENT, AND CIRCULATION (Act of August 12, 1970; Section 3685; Title 39 United States Code) Date of Filing—October 1, 1999. Title of Publication—Journal of Intravenous Nursing; Frequency of Issue—Bimonthly; Annual Subscription Price—$103.00; Location of Known Office of Publication—Lippincott Williams & Wilkins, Inc., 12107 Insurance Way, Hagerstown, MD 21740; Location of the Headquarters or General Business Offices of the Publisher—Lippincott Williams & Wilkins, Inc., 227 East Washington Square, Philadelphia, PA 19106; Publisher—Lippincott Williams & Wilkins, Inc., 227 East Washington Square, Philadelphia, PA 19106; Editor—Mary Alexander, Fresh Pond Square, 10 Fawcett Street, Cambridge, MA 02138; Managing Editor—Karyn Crislip, Lippincott Williams & Wilkins, 227 East Washington Square, Philadelphia, PA 19106; Owner—Intravenous Nurses Society, Fresh Pond Square, 10 Fawcett Street, Cambridge, MA 02138; Known Bond Holders, Mortgagees, and other security holders owning or holding 1 percent or more of the total amount of bonds, mortgages, or other securities—None. A. Total no. of copies printed (net press run), average 9282, actual 8700. B. Paid and/or requested circulation 1. Paid/requested outside-county mail subscriptions stated on form 3541, average 3770, actual 7418; 2. Paid in-county subscriptions, N/A; 3. Sales through dealers and carriers, street vendors, counter sales, and other non-USPS paid distribution, N/A; 4. Other classes mailed through the USPS, N/A. C. Total paid and/or requested circulation [sum of B (1), (2), (3), and (4)], average 3770, actual 7418. D. Free distribution by mail (samples, complimentary, and other free), 1. Outside-county as stated on form 3541, average 180, actual 320; 2. In-county as stated on form 3541, N/A; 3. Other classes mailed through the USPS, N/A. E. Free distribution outside the mail (carriers or other means), N/A. F. Total free distribution (sum of D and E), average 180, actual 320. G. Total distribution (sum of C and F), average 3950, actual 7738. H. Copies not distributed, 5332, actual 962. I. Total (sum of G and H), average 9282, actual 8700. Percent paid and/or requested circulation, average 95%, actual 96%. I certify that the statements made by me above are correct and complete. Abbe Nelson, *Manager, Periodicals Operations.*
